

# Sammy's place

Do you like the mountains and desert?

...and dogs?

To find out how you can help, please visit [www.apection.org/sanctuary.html](http://www.apection.org/sanctuary.html)

Then you'll love our  
Senior Dog Sanctuary

How about sunsets...

We take in the unwanted, forgotten and thrown away dogs that have no chance of being adopted in local shelters.

We give them love, medical care, and a place to call their forever home if needed.

Please consider adopting a senior pet!
